

Transport Statements and Assessments

Course Overview

A two-day course designed to give an introduction to the topic of Transport Statements and Transport Assessments (TS and TA). The course will benefit those who prepare TS and TA reports as well as those who check the reports.

Aims and Objectives

The aim of this course is to give delegates a sound introduction to Transport Statements and Transport Assessments.

The course provides advice on preparing and checking Transport Statements and Transport Assessments and encourages delegates to share their experiences.

Topics Covered

The two-day course focuses on the following key areas:

- The planning process
- What is a Transport Statement and Transport Assessment?
- When are Transport Statements and Transport Assessments needed?
- What information should be in a Transport Statement and Transport Assessment?
- Traffic generation and distribution
- Encouraging sustainable travel
- Travel plans
- Parking issues
- Road safety issues
- General principles of junction design
- Principles of priority junction design and use of PICADY
- Principles of roundabout design and use of ARCADY
- Checking Transport Statements and Assessments

Course Fees
